

MAIUSCOLO

CHARACTERISTICS

TYPE: Still

COLOUR: Red

DESIGNATION: PINOT NERO IGT VENETO

SENSATIONS: Ruby red colour with garnet hues and fragrances of blackberries and small red berries. This wine features a lightly fresh, sapid, soft and harmonious taste.

CULTIVATION: The vines are grown using the Guyot system, with a growing density of 4,200 plants per hectare.

WINEMAKING PROCESS: When the grapes are healthy and ripe they are crushed and fermented in steel barrels at a controlled temperature for a fortnight. During this period, they are softly punched-down several times. Following fermentation, the product is racked and the wine obtained is left to rest for a few months in small oak barrels.
